PROCEEDINGS OF THE 21st GOVERNING COUNCIL (ANNUAL) MEETING

The meeting of the 21\textsuperscript{st} Governing Council (Annual) meeting was held on September 13, 2019 at "Juniper Hall", India Habitat Centre, New Delhi at 1400-1500 hrs.

The list of members who attended the meeting is annexed at Annexeure --A (page no. 6). Leave of absence was granted to the members who could not attend the meeting.

Welcome

Chairperson, QCI welcomed all the members. Few Members, other than the ex-officio members participated for the first time in the Governing Council as it has been re constituted during the 53\textsuperscript{rd} GB vide item No 53.2.1 held on 12.12.2019 for a term of two years.

In his opening remarks, members were apprised about the exemplary performance of QCI, the accessibility and outreach of the organisation which has increased in many folds in the past few years which has helped the nation in improving quality standards across the country in different realms through its Boards / Divisions,

During the year, some interim changes took place at QCI, and the same were updated to the members as follows –

1. Relieving of CEO, NABL and CEO, NABCB after completion of their terms as per the approval of GB.
2. Assuming of the charge of CEO, NABL & CEO, NABCB by new incumbents, appointed after following due process.
3. The current term of Dr Harish Nadkarni, CEO NABH was expiring on September 28, as per the approval of GB.
5. Second term / Extension of two Chairperson of Boards namely; NABET and NABL Boards.
7. QCI is continuously being asked to do many things by the government. One of it is setting up a certification process for Project Management Professionals by NITI.
8. With NHA, QCI has prepared a Basic Standard under ABPMJAY in order to assure quality of hospitals empanelled under the Ayushman Bharat Scheme.
9. QCI was asked to sample and test fishes entering into Goa for formalin content. Similarly, QCI is assessing use of single use plastic on airports.
10. QCI has assessed private hospitals for Kayakalp standards of MoHFW which was meant initially only for public hospitals to check their health and hygiene standards. This whole initiative was done pro bono for the MoHFW.

Thanking the Chairperson of all Boards, Chairperson-QCI informed the members the Chairperson of respective Boards i.e., NABL, NABH, NABCB, NBQP, NABET and Finance Committee spend a lot of time helping out such that QCI has changed dramatically and is now a transformational story for several other autonomous bodies; QCI has grown
and made its presence felt both at the national / international platforms. He apprised the members that now many autonomous bodies are trying to know the dynamics of this change.

III  Items for information of Governing Council:

The GC received the information.

Item No. 21.3.2 : Status of QCI’s case before Customs, Excise and Service Tax Appellate Tribunal-reg.

The Governing Council received the information.
IV STATUS ON UPDATE OF ACTIVITIES IN BOARDS / DIVISIONS

Item No. 21.4.1: To note the update on the activities of Special Project Group by Designated In-charge during the reporting period.

The Governing Council received the information on update of activities of SPG – PADD, ZED and PPID. It was felt that the ZED scheme needs to be relooked and owned in a manner such that it can be incentivised for the participation of manufacturers at large and a beneficiary to its end users.

Item No. 21.4.2 to 21.4.5: To note the update on the activities of NABL, NABH, NABET, NABCB & NBQP during the reporting period.

An update on activities during the reporting period were presented by SG, QCI for all the five Boards through a presentation.

Item No. 21.5: Any other item with the permission of the Chair.

In addition to the agenda items, following discussions took place:

1. Members were informed about allegations against two assessors who were deputed to visit Moradabad Railway Station for assessment and raking of railway stations. It was suggested that QCI must further strengthen its own systems and take counter measures so that such alleged incidents do not take place.

2. JS, DPIIT opined that ZED may be implemented in clusters on which QCI has already worked under LMCS program. QCI can also make a plan for ZED demo in some chosen MSME which has gone through ZED certification so that other MSMEs learn about the benefits of ZED implementation. MSMEs being the engine for growth and employment, a targeted approach may be prepared and any support from DPIIT shall be provided.

3. It was in general agreed that the financial health of QCI was robust. QCI may use its surplus to buy its own building in order to avoid the statutory requirement of reinvestment of surplus within 5 years.

4. It was desired that statutory auditors may submit a detailed note on the process followed within the organization and gaps if any, which were noticed in the statutory audit. The auditors however added that strictly it is not within the mandate of statutory audit. However, since they were doing it for the first time, they would compile a general observations for management review and guidance.

5. It was discussed that the expansion of finance committee from 3 to 5 members and choice of reputed companies like M/s. Walker Chandiol LLP is a good step in the right direction.

6. It was also requested that the presentations made in GB may also include adequate information about the process which ensures good governance. However, it was
clarified that the entire process and detailed discussion about each project happens at the level of the accreditation boards and suitable review is also happening at the Boards. At the level of GB, only information concerning major activities are presented.

The meeting ended with a vote of thanks to the Chair.
