1	Clause III, sub-clause 2	Page 7	The bidding entity must have minimum average annual turnover of ₹ 120 crores or more in the last three financial years (i.e., 2021-22, 2022-23 and 2023-24).	<p>We kindly request the authority to consider the following changes to the turnover criteria to encourage participation from mid-tier firms and ensure competitive bidding process</p> <p>Considering the current market dynamics and challenges faced by many companies, including unforeseen disruptions over the last few years, we believe that a reduction in the minimum turnover requirement from ₹120 crores to ₹65 crores would allow a more inclusive and diverse set of qualified bidders to participate, while still ensuring the capability and financial stability of the bidding entities. Furthermore, we would like to emphasize that our company possesses strong technical expertise and a proven track record in successfully executing projects of similar scope and scale. While our turnover may not meet the stated threshold, our experience and capabilities make us confident in our ability to deliver high-quality results for this project</p>	-	No Change. Kindly submit as per RFP document.
