## I. INTRODUCTION

### Quality Council of India (QCI)

Quality Council of India (QCI) is a premier autonomous body set up by Government of India. QCI is responsible for creating a Quality Mindset and envisions to ensure quality across products and services that touch every citizen. As an independent and autonomous body, QCI creates a mechanism for independent third-party assessments of products, services, and processes, coordinating its activities through its constituent boards and divisions. The Department for Promotion of Industry and Internal Trade (DPIIT), Ministry of Commerce & Industry, serves as the nodal point for QCI. QCI plays a pivotal role in propagating, adoption and adherence to quality standards in all important spheres of activities including education, healthcare, environment protection, governance, social sectors, infrastructure sector and such other areas of organized activities that have significant bearing in improving the quality of life and well-being of the citizens of India.

To achieve this, QCI is playing a pivotal role in propagating, adoption and adherence to quality standards in all important spheres of activities including education, healthcare, environment protection, governance, social sectors, infrastructure sector and such other areas of organized activities that have significant bearing in improving the quality of life and well-being of the citizens of India.

It functions through its five constituent Boards and Project Implementation Divisions to establish National Accreditation Programme and Third-Party Assessment models with an aim to improve the quality ecosystem of the nation.
