I. INTRODUCTION

Quality Council of India (QCI)

Quality Council of India (QCI) is a premier autonomous body set up by Government of India. QCI is responsible for creating a Quality Mindset and envisions to ensure quality across products and services that touch every citizen. As an independent and autonomous body, QCI creates a mechanism for independent third-party assessments of products, services, and processes, coordinating its activities through its constituent boards and divisions. The Department for Promotion of Industry and Internal Trade (DPIIT), Ministry of Commerce & Industry, serves as the nodal point for QCI. QCI plays a pivotal role in propagating, adoption, and adherence to quality standards in all important spheres of activities including education, healthcare, environment protection, governance, social sectors, infrastructure sector, and such other areas of organized activities that have significant bearing in improving the quality of life and well-being of the citizens of India.

To achieve this, QCI is playing a pivotal role in propagating, adoption, and adherence to quality standards in all important spheres of activities including education, healthcare, environment protection, governance, social sectors, infrastructure sector, and such other areas of organized activities that have significant bearing in improving the quality of life and well-being of the citizens of India.

It functions through its five constituent Boards and Project Implementation Divisions to establish National Accreditation Programme and Third-Party Assessment models with an aim to improve the quality ecosystem of the nation.

The Project Planning & Implementation Division (PPID)

This division works with various ministries in the government both at Central and State level. Set up with a vision of young professionals who could help the government from outside on key issues and provide support wherever required. PPID has worked with number of Ministries on projects, including (but not limited to) - Ministry of Petroleum and Natural Gas, Ministry of Railways, NITI Aayog (erstwhile planning commission of India), Ministry of New and Renewable Energy, Department of Administrative Reform and Public Grievances (DARPG) and others.

II. PROJECT CONTEXT

The objective of this Request for Proposal (RFP) is to invite proposals from qualified and experienced agencies to conduct field verification of Local Agricultural Entities (LAE) and Local Fisheries Entities (LFE) across India. The selected agency will be responsible for carrying out on-ground data collection and validation using standardized tools and digital platforms provided by QCI, ensuring accuracy, transparency, and uniformity in the verification process.

This engagement aims to establish a credible third-party verification mechanism to support consistent and data-driven evaluation of LAEs and LFEs. The agency will deploy trained field assessors to systematically

Tender ref. no. QCI/PPID/1225/488

collect and validate information covering governance, business operations, institutional processes, and financial management of LAEs and LFEs.

The objectives of this engagement are to conduct field verification of identified LAEs and LFEs across India and ensuring collection and validation of data from field using standardized tools and digital platforms provided by QCI, this will also involve collection of data with major stakeholders of LAE and LFE (Business Support Entities (BSEs) /Farmers etc).

III. SCOPE OF WORK

The scope of work includes on-site verification and validation of Local Agricultural Entities (LAE) and Local Fisheries Entities (LFE) across India, wherein trained field assessors will conduct structured, field-based assessments to verify the authenticity and accuracy of LAE data and documentation, including certificates, licenses, and statutory records. Using a standardized questionnaire comprising parameters provided through a digital platform by QCI, the assessment will ensure transparency, consistency, and real-time monitoring of data. The agency shall systematically collect and validate information related to governance, business operations, institutional processes, and financial management of LAEs, while also conducting probing questions and surveys with stakeholders at LAEs and their mapped Business Support Entities (BSEs) to assess maturity levels and identify gaps in existing practices.

1. Assessor Requirement and Time Period

Experience Required	Time Period	Expected Output
Minimum Graduate with 1–2 years of professional experience in field verification, audits, or data validation exercises	The total duration for the verification exercise shall be 4 months from the date of commencement. Each assessor will be allotted specific LAE/LFE clusters for on-site visits and verification activities.	Verification of LAE/LFE documents and conducting survey with stakeholders based on QCI-provided questions, supported by photographic and geo-tagged evidence.

Assessors shall be deployed across identified states and districts for the field verification process. Each assessor shall ensure the completion of assigned LAE/LFE assessments within the defined timeline and in compliance with QCI's operational protocols and quality standards.

2. Verification Parameters

The assessors shall verify the following during each LAE/LFE visit:

- i. Certificates of incorporation, registration, and statutory licenses. (e.g., FSSAI, GST, etc.)
- ii. Relevant operational and financial records as per QCI's checklist.
- iii. Institutional governance, business operations, and infrastructure facilities.
- iv. Photo and geo-tagged evidence of key assets and verified record.
- v. Cross-verification of on-ground information with data entered on the digital platform.
- vi. Collection of field observations and qualitative insights from LAE/LFE representatives to support contextual understanding of operational challenges and best practices.

3. Sample Data

- i. The verification of Local Agricultural Entities (LAEs) will cover 3,557 LAEs spread across 648 districts and 3,180 blocks, covering 27 States and 7 Union Territories, representing the largest share of the proposed verification coverage.

TENDER DOCUMENT FOR ENGAGEMENT OF SURVEY AGENCIES FOR VERIFICATION OF LOCAL AGRICULTURAL ENTITIES (LAE) AND LOCAL FISHERIES ENTITIES (LFE) ACROSS INDIA

Tender ref. no. QCI/PPID/1225/488

- ii. The assessment of Local Fishery Entities (LFEs) will include 549 LFEs located across 94 districts and 304 blocks, spread across 8 States, ensuring representation of fisheries-based producer entities to be covered are attached as **Annexure-B**.
- iii. In total, 4,106 entities across 670 districts and 3,389 blocks will be systematically verified as part of the sample dataset. The actual number of entities, districts, and blocks covered under the project may be revised based on the final project scope, geographical expansion, and implementation requirements.

Category	Total no. of Districts	Total no. of Blocks	Total no. of Entities
LFE	94	304	549
LAE	648	3180	3557
Grand Total	670	3389	4106

4. Assessment Methodology

- i. Conduct visits for verification of each LAE and LFE.
- ii. Record all data and observations using standardized digital assessment tools provided by QCI, ensuring real-time upload, timestamping, and geo-tagging during visits.
- iii. Maintain regular coordination with the assigned QCI representative (or any concerned stakeholder) throughout the assessment process, and promptly rectify any discrepancies identified during field verification.
- iv. Interact with LAE/LFE officials (Board of Directors, CEO, Accountants), BSEs and Farmers to validate documentation and records.
- v. Conduct surveys with stakeholders at LAEs/LFEs and their mapped BSEs and Farmers to assess maturity levels and identify gaps in existing practices.
- vi. The Assessment Completion Form must be duly filled, including the declaration of any missing document and unavailability of any concerned stakeholder, and must be signed by the superior official present at the LAE/LFE at the time of the assessment before exiting each LAE/LFE location.
- vii. Maintain accuracy, completeness, and data integrity in all submissions on the digital platform.

5. Deployment and Supervision

- i. The agency shall ensure that all assessors are adequately trained and familiarized with QCI's protocols prior to deployment.
- ii. QCI may conduct shadow visits, random data audits, or remote supervision to ensure quality and protocol adherence.
- iii. Any discrepancies identified during review or audit shall be rectified by the agency within the stipulated timeframe through QCI's quality control mechanism.

The Agency shall designate nodal officer/s who will be responsible for addressing on-ground issues faced by assessors and ensuring seamless coordination. The nodal officer/s may also conduct shadow audits to monitor quality, verify adherence to protocols, and provide continuous supervision throughout the assessment process.

- iii. In the event that a Service Provider identifies a potential conflict of interest, they shall make a disclosure to QCI as soon as any potential conflict comes to their notice but in no case later than 7 (seven) days from any breach of this obligation of disclosure shall be construed as Conflict of Interest. QCI shall, upon being notified by the Service Provider under this Clause, decide whether it wishes to terminate this service or otherwise, and convey its decision to the service provider within a period not exceeding 15 (fifteen) days.

39. Fraud/Corruption: QCI requires that the service provider throughout the execution of the Contract adhere to the highest ethical standards. In pursuance of this policy, QCI defines, for the purpose of this paragraph, the terms set forth as applicable to both the parties:

- i. "Corrupt practice" means the offering, giving, receiving, or soliciting, directly or indirectly, of anything of value (whether in cash or kind) to influence the action of a public official in the selection process or in Contract execution.
- ii. "Fraudulent practice" means a misrepresentation or omission of facts in order to influence a selection process or the execution of a Contract.
- iii. "Collusive practices" means a scheme or arrangement between two or more service providers with or without the knowledge of QCI, designed to establish prices at artificial, non-competitive levels.
- iv. "Coercive practices" means harming or threatening to harm, directly or indirectly, persons or their property to influence their participation in a procurement process or affect the execution of a Contract; and
- v. QCI will terminate the Contract, either indefinitely or for a stipulated period of time, if at any time it determines that the service provider has, directly or through an agent, engaged in corrupt, fraudulent, collusive or coercive practices in executing, a Contract.

40. Emergency: Notwithstanding any other provisions of this Clause, QCI shall be entitled in the event of any emergency (including, without limitation), with immediate effect, to direct the Successful bidder(s)'s Personnel as it considers fit and to use as it considers fit all or part of the Successful bidder(s)'s Equipment, if any.

41. Reporting: The Successful bidder(s) shall immediately inform QCI in writing when an incident or accident occurs (including, without limitation, any fatality, lost time incident, medical treatment case, first aid case near miss or any other loss related incident) in any way connected with the Services, whether or not it may affect any operations of the QCI or the operations of others working on behalf of QCI, and shall maintain accurate records thereof. Any fatality or major accident or incident shall be reported to the QCI within 24 hours of occurrence.

42. Laws: The Successful bidder(s), during the period of this Contract, shall be responsible for maintaining legal and statutory compliances (the "Compliances"), if any required for the execution of the contract, with respect to its Equipment(s), Personnel(s) employee(s) and/or nominees, including payment of all relevant social security benefits, under all the Labour Law legislations, as may be applicable to the Successful bidder (s), from time to time.
